**FAQS &
MORE**

SUMMER
2024

Frequently asked Questions

Q Is there an area to have dinner?

A Yes! There are lots of areas that can be used for your dinner set-up. There is also an available sink and 2 fridges + 1 freezer for your catering service to use. We have a wooden gazebo we are planning to remodel and will most likely be available for Summer 2023 for an additional cost.

Q Where can I have my ceremony?

A It is really up to you! We have 205 acres of land in the Pemberton Meadows. Some couples like to have their ceremony in the field, some in the gardens.

Q What are your quiet hours?

A We are pretty far away from town, so our quiet hours start at 1 AM. This means no more music (DJ, band, etc). Conversation still allowed of course if you are camping.

Frequently asked Questions

Q What is the venue capacity?

A We have a big space here at the farm but we ask our couples to keep the number of guests up to 150.

Q When can the vendors arrive for set-up?

A Vendors can arrive 3-4 days before your big day. We are pretty flexible so if you want an extended period for them to set-up just let us know and we are sure we can figure something out.

Q Do you have a list of approved vendors?

A No, but we do have a list of recommended vendors we love working with! Let us know if you want any recommendations and we will be happy to give them to you. All that we ask for any other vendors you wish to bring in is that they are insured.

Frequently asked Questions

Q Can we bring our own liquor?

A Yes, we do not provide liquor ourselves. You are more than welcome to bring your drinks, however we do ask the bride and groom to have a valid special-event liquor license for the wedding day.

Q Is parking available on-site? How much space is there? Will guests be charged for parking?

A There is parking available on-site. We have a lot of space so there is no need to worry about that. Parking is included in the rental of our property, no additional fees will be charged.

Q How much is the deposit to reserve our date? Is it refundable?

A We ask our couples to put down a 25% non-refundable deposit in order to secure their date.

Frequently asked Questions

Q Is there a damage deposit?

A Yes, before your guest arrive we ask out couples to put down a \$2,000 damage deposit (in form of cash or cheque). If the property is well-kept, we will for sure give this amount back after the event is over.

Q Do we need to be insured as a couple?

A As the people hosting the event, we ask the bride and groom to have their own insurance.

Q How many hours are included in the rental of the space? How early can we arrive, and how late can we stay?

A It all depends on which package you choose. If you go with package No. 1 your guests are welcome to arrive the day of the wedding and leave after the party has come to an end. If you choose to have your guests camp in our property you can arrive the morning of the day your rental starts and leave in the afternoon the day after the event.
